# FIRST BIRTHDAY PROGRAM

## What is the 'First Birthday' program?

At Big Dream we want to look for ways to impact our community. Many of our teachers have been blessed by foster care and adoption so we are eager to find ways to give back. Each year Big Dream will help a few children who have recently been adopted or are being raised in the foster care system to celebrate a 'first' birthday with their new forever

family or foster family.

If you are the parent of a recently adopted or foster child you may enter them to win the party theme of their choice. Simply fill out one of the first birthday forms in the studio lobby and place it in the box to be entered. (\*We are aware of the strict privacy guidelines involved with these cases and want to assure parents the names and pictures of these children will not be published or promoted at these events)
